THE SITE.

Situated only two minutes away from the M3 Junction 12 (A335 Eastleigh North), Cranbury Park is the ideal rural site that is not miles away. Our two acres of park land is on the privately owned Cranbury Park Estate.

The site is for camping under canvas only.

The site has flush toilets, washing facilities with hot water, and water points around the site. The site is open from the first week in April until the 30th September.

THE LOCALITY.

The site is on the edge of the residential area of Chandlers Ford with the nearest shops some 1 mile distant. There are two shopping precincts, both with fish & chip shops. There is a large Co-op and Waitrose supermarkets in Chandlers Ford centre, and an Asda hypermarket immediately south of Chandlers Ford towards Southampton. Southampton and Winchester and Romsey are less than half an hour away by car and each is an interesting place to visit. There are modern swimming pools at Eastleigh, Romsey and Winchester. Marwell Zoo is only four miles away. A superb place to visit is "INTECH" just outside Winchester as is the New Forest. Portsmouth and the Isle of Wight are all within easy traveling distance for an outing.

The advertisement features a young girl with blonde hair and a surprised expression, her hands pressed against her cheeks. In the foreground, a large, glowing purple hand is shown, with a small globe of Earth resting in its palm. The background is dark with faint purple light trails.

THE NEW FOREST

The logo consists of a stylized green tree with a thick trunk and three swirling branches. The words 'THE NEW' are in a purple serif font, and 'FOREST' is in a larger purple serif font, with the tree's trunk acting as the letter 'F'.
